VERTEX

Merdian Vertex Large Arbor features awesome performance, superb quality, and a beautiful, contemporary aesthetic. The double anodized design of the Vertex increases abrasion resistance by 30% and the unique silky, smooth waterproof drag system speaks for itself. Our 1-point handle is stronger than anything on the market. Simply smooth and reliable. This is your ultra-tough, ultra-reliable, high capacity, beat-me-up adventure reel that will go anywhere.

SPECIALIZED FOR A VARIETY OF FISHING TECHNIQUES.

The Vertex 5/6 has been appropriately designed for larger trout, bass, and bigger water, where longer casts and more varied techniques give you more adaptability. Whether you're fishing a floating line or a light sink tip, dries, or wets, this is the ideal all-around reel.

FLOW SL

As tough as they are handsome. The Meridian Flow is the ultimate in large arbor design with superior durability and smooth performance and yet the lightest in its class. The Meridian Flow is precision-machined and built to meet the requirements of the most demanding anglers and angling situations. An extraordinary reel for 5 through 8wt lines.

THE WATER IS CALLING

The 2022 Meridian Flow SL is a fully designed frame upgraded with our cutting-edge pressure-cast process.

A fully-redesigned frame and spool are highlights of the new Flow SL. The spool shows off the cutting-edge manufacturing techniques Meridian Reels has developed, delivering a design that is perfectly accurate, incredibly strong, and visually stunning.
